

## Soul Love

I've got good friends and a close knit family  
How they care for me brings a joy to my heart  
Still there's times when this pain way down inside of me  
Is beyond what they can do to rescue me from the dark  
The only way is a ...

Soul love that's what I'm praying for give me  
Soul love that's where the peace is peace is inside myself  
Soul love something deep and pure give me  
Soul love and it's Jesus Jesus and no one else

You might think God is a way out distant thing  
Far removed from the trials of life  
But the truth is that He came to live with humanity  
And dwell in the hearts of believers to overcome stress and strife  
That's why I need me some...

Soul love that's what I'm praying for give me  
Soul love that's where the peace is peace is inside myself  
Soul love something deep and pure give me  
Soul love and it's Jesus Jesus and no one else

I think about the blood I think about the cross  
I think about the sacrifice he made and the horrible cost  
Then I think of all the world has to give that'll never be enough  
'Cause when you're down desperate and dirty  
Only one thing gonna lift you up and that's a...
