

Bless the Lord

He is good and His mercy endures forever

On those who seek Him He pours His Spirit without measure

His grace and power flow to all who call upon His name

When I think on these things my heart is driven to proclaim

Oh oh oh oh bless the Lord oh my soul oh my soul

Oh oh oh oh bless the Lord oh my soul oh my soul

He is faithful even when our faith is cold and weak For

He promised there's a work in us He must complete

His righteousness is a path to lead His children home

Where one day we will stand and sing before his holy throne

Oh oh oh oh bless the Lord oh my soul oh my soul

Oh oh oh oh bless the Lord oh my soul oh my soul

Great is our God and greatly to be praised

There is peace there is joy when we follow in His ways

We're gonna follow and say

Oh oh oh oh bless the Lord oh my soul oh my soul

Oh oh oh oh bless the Lord oh my soul oh my soul
