

## Greater is He

Mr trial and temptation comes to greet

Says I'm a take you down boy leave you in defeat

I said I know you got some nasty tricks on up your sleeve

But God's word is true and here's what I believe

Greater is He who is in me than he who's in the world who's in the world

Greater is He who is in me than he who's in the world who's in the world

Miss you can't beat that sin she whispers in my ear

Says you'll never change boy you been prayin' and prayin' for years

And I'd be inclined to agree with her if not for this

Though the battle rages on my Father promises

Greater is He who is in me than he who's in the world who's in the world

Greater is He who is in me than he who's in the world who's in the world

My tribulation - He's greater

Pain I'm facin' - He's greater

Hopeless situation - He's greater oh glory be

When satan's dissin' - He's greater

The mark I'm missin' - He's greater

Come and listen listen y'all to the truth that sets me free
